Each Module must be completed before the next one becomes available. You can complete quizzes and exams as many times as you wish. It is very important to read the Module Supplements in Modules 1 - 5. This supplement information comes directly from the Alberta Insurance Council and is specific to Alberta forms, coverages and the licensing exam curriculum.

Once you successfully pass the certification exam, ILScorp will register you with the Alberta Insurance Council. **You must have a CIPR Number in order for us to certify you. If you need a CIPR# click here to learn more.** As soon as we certify you with the council you are eligible to book your final licensing exam.

You have 4 months of access to all the online material. If you would like to purchase an extension please contact us before your course expires.
